GREGORY H. WOODS, United States District Judge:

In the supplemental submissions provided to the Court by counsel for Lead Plaintiffs on January 21, 2022, Dkt. No. 275, Lead Plaintiffs disclosed a potentially material development in the resolution of the settlement of the bankruptcy case. *Id.* at 4 n.3. The Court has deferred providing feedback regarding the supplemental proposals by Lead Plaintiffs with the expectation that further information regarding that development would be provided to the Court. The Court requests that Lead Plaintiffs submit a letter with an update with respect to the contingent recovery for the bankruptcy settlement class promptly.

SO ORDERED.
